POSITION SUMMARY:

Rocky Boy Health Center is seeking a dedicated Physician Assistant (PA) or Nurse Practitioner (NP) to join our healthcare team. The Mid-Level Provider will deliver high-quality, patient-centered care in collaboration with physicians and healthcare professionals. This role involves assessing, diagnosing, treating, and managing patients across various healthcare settings. Incumbent will play a vital role in improving patient outcomes through evidence-based practice, patient education, and comprehensive care coordination.

MAJOR DUTIES:

- Conduct comprehensive patient assessments, including medical history, physical exams, and diagnostic evaluations.
- Diagnose and develop treatment plans in collaboration with supervising or consulting physicians when required.
- Prescribe medications and order diagnostic tests as permitted by state law and organizational policies.
- Provide patient education on disease prevention, management, and health promotion.
- Collaborate with multidisciplinary teams to coordinate patient care and treatment plans.
- Maintain accurate, up-to-date medical records and documentation.
- Participate in quality improvement initiatives and adhere to best practice guidelines.
- Perform minor procedures and assist in clinical interventions as needed.
- Stay current with medical advancements, continuing education, and professional development.

THIS EMPLOYMENT ANNOUNCEMENT DOES NOT CONTAIN A COMPREHENSIVE DESCRIPTION OF ACTIVITIES, DUTIES, OR RESPONSIBILITIES THAT ARE REQUIRED FOR THIS POSITION. DUTIES, RESPONSIBILITIES, AND ACTIVITIES WILL BE REVIEWED PERIODICALLY AS DUTIES AND RESPONSIBILITIES CHANGE WITH NECESSITY.

REQUIRED QUALIFICATIONS:

APPLICANTS WITH CREDENTIALS THAT DO NOT MEET THE REQUIRED QUALIFICATIONS FOR THIS POSITION WILL NOT BE CONSIDERED.

- Current, unrestricted licensure as a Physician Assistant (PA) or Nurse Practitioner (NP) in the state of Montana.
- Graduation from an accredited PA or NP program.
- Certification through the National Commission on Certification of Physician Assistants (NCCPA) for PAs or American Nurses Credentialing Center (ANCC)/American Association of Nurse Practitioners (AANP) for NPs.
- DEA registration or eligibility.
- Basic Life Support (BLS) and Advanced Cardiac Life Support (ACLS) certifications.
- Strong clinical judgment, communication, and problem-solving skills.
- Ability to work both independently and as part of a collaborative healthcare team.

DESIRED QUALIFICATIONS:

- Experience in primary care or internal medicine preferred.
- Experience working in a rural or tribal health setting is a plus.
- Knowledge of IHS Resource and Patient Management System (RPMS) and proficiency in electronic medical documentation.
- Commitment to serving underserved populations and improving healthcare access.

TO APPLY:
